RESOLVED: That in accordance with the provisions of Committee Procedure Rule 30 (Part 4B of the Constitution), representations be received in respect of item 2/03 on the list of planning applications.

485. 2/01: 7 ELMS ROAD, HARROW - P/4046/17

PROPOSAL: Single Storey Side To Rear Extensions To Both Sides Connecting Detached Garage To Dwelling House

Following questions and comments from Members, an officer advised that:

- the overall footprint of the current application was 229 square metres whereas this had been 251 square metres under the previous application;

- officers and the Committee were obliged to consider the application before them and could not take into account any possible future application that might be submitted by the applicant. Any such application would have to be judged on its own merits.

A Member expressed concern that granting the application could set a precedent as the applicant could submit a subsequent application to further develop the site. The Chair requested that it be noted in the minutes that the Planning Service would need to be convinced about the merits of any future application that sought to increase the footprint or the number of storeys at the development.

A Member proposed refusal on the following grounds:
1. The proposed redevelopment of the site, by reason of the excessive footprint of the building and its encroachment on a private rear garden area, would represent overdevelopment of the site, and would result in an over intensive and an inappropriate form of development, at odds with the Council’s spatial strategy for growth to the detriment of the character and appearance of the locality, contrary to the National Planning Policy Framework (2012), policies 3.5A and 7.1D of The London Plan (2016) and core policies CS1 A and CS1 B of the Harrow Core Strategy 2011-2026 and the adopted Supplementary Planning Document: Garden Land Development (2013).

2. The proposed building, by reason of its excessive bulk, size and scale, unsatisfactory design, proximity to site boundaries and lack of adequate setting space, would give rise to an unsatisfactory, inappropriate and visually dominant and obtrusive form of development which would be at odds with the predominant pattern of development on the northern side of Elms Road, to the detriment of the character and appearance of the surrounding area and neighbouring amenity, contrary to policies 7.1D, 7.4B and 7.6B of The London Plan (2016), core policy CS1 B of the Harrow Core Strategy (2012), policy DM 1 of the Harrow Development Management Policies Local Plan (2013) and the adopted Supplementary Planning Document Residential Design Guide (2010).

The motion was seconded, put to the vote and lost.

2/03: CEMETERY LODGE, 660 PINNER ROAD, PINNER - P/3857/17

PROPOSAL: Conversion Of Dwelling Into Two Flats; Single Storey Side Orangery Extension; Bin And Cycle Stores; Parking; External Alterations (Demolition Of Detached Garage)

Following questions and comments from Members, an officer advised that the Council’s Conservation Officer was of the view that rendering the western flank wall of the side extension would not detrimentally affect the character of the Conservation area.

A Member proposed refusal on the following grounds:

‘The proposal would harm the character and appearance of the Pinner Road Conservation Area, as well as the amenity of neighbouring properties, contrary to policies DM1 and DM7 of the Local Plan, CS1 of the Core Strategy and 7.4, 7.6 and 7.8 of the London Plan.’

The motion was seconded, put to the vote and lost.

The Committee received representations from an objector, Mr Sareen and from, Mr Thomas, the applicant.

The Committee agreed to add an additional condition requiring the applicant to plant trees to replace those which would be removed from the common boundary with Pinner Court and an Informative to be attached to Condition 3 mentioning that a rendered finish would not be acceptable.

The Committee voted on the officer recommendation to grant the application.

DECISION: GRANTED, planning permission subject to the Conditions listed in Appendix 1 of the officer report, and as amended by the Committee as set out above and as amended by the Addendum.
