Section 1 – Summary and Recommendations

This report sets out the decision of the Call-In Sub-Committee held on 1 October 2012 following the receipt and consideration of a Call-In notice in relation to Cabinet’s decision of 13 September on the Public Realm Integrated Services Model: Business Case.

Recommendations: That

(1) in accordance with Committee Procedure Rule 46.8.3, the decision of the Cabinet meeting held on 13 September 2012, as set out in Appendix 3, in relation to the Public Realm Integrated Services Strategy: Business Case be reconsidered as a result of the decision of the Call-In Sub-Committee;

(2) having considered the legal implications set out at Appendix 8, the original Cabinet decision of 13 September 2012 be confirmed or amended in light of the Call-In Sub-Committee’s comments.

Reason (For Recommendation): In accordance with Committee Procedure Rule 46.8.3, Cabinet must reconsider its decision within 10 clear working days of a referral by the Call-In Sub-Committee.

Section 2 – Report

On 13 September 2012, Cabinet agreed the implementation of the Public Realm Integrated Services Model: Business Case and gave delegated authority to the Corporate Director of Environment and Enterprise, in liaison
with the Portfolio Holder for Environment and Community Safety, to take the necessary actions for implementation of the project.

On 19 and 20 September 2012, 9 Members called in the Cabinet decision on the grounds of inadequate consideration of legal advice and inadequate consultation with stakeholders. The Call-In notice is attached at Appendix 1. On 21 September 2012, a Call-In Notice signed by over 150 members of the public was received, citing all 5 grounds for Call-In, as set out in the Council’s constitution. The following 3 grounds were deemed to be valid: inadequate consultation with stakeholders prior to the decision; the absence of adequate evidence on which to base a decision; insufficient consideration of legal and financial advice. A meeting of the Call-In Sub-Committee was held on 1 October to consider both Call-In notices. The subsequent reference arising from the Sub-Committee meeting is attached at Appendix 3 for Cabinet Members’ consideration.

The Sub-Committee agreed, unanimously, that the call-in on ground (a) – inadequate consultation with stakeholders prior to the decision – should not be upheld, as the Committee did not consider it had been wholly inadequate; however, the Sub-Committee stated that it would, in future, look unfavourably on items for decision which might reasonably have been included on the Key Decision Schedule, but which had been omitted.

The Sub-Committee agreed, unanimously, that the call-in on ground (b) – the absence of adequate evidence on which to base a decision – should not be upheld due to insufficient grounds.

The Sub-Committee agreed, unanimously, the call-in on ground (f) – insufficient consideration of legal advice – should be upheld, as there was no evidence of legal advice having been provided or considered in the body of the Part 1 report. The Sub-Committee also requested that Cabinet give consideration to the inclusion of a paragraph on ‘Legal Implications’ in the Cabinet report template.

In accordance with Committee Procedure Rule 46.8.3, Cabinet must reconsider its original decision within 10 clear working days of a referral by the Call-In Sub-Committee. Cabinet is requested to either confirm or amend its decision of 13 September in relation to this matter.
