(3) Cabinet be asked to consider requesting a report that outlines the process of drawing up and approving Equality Impact Assessments (EqIAs) for Cabinet level decisions.

Reason (For recommendation): In accordance with Committee Procedure Rule 46.8.3, Cabinet must reconsider its decision within 10 clear working days of a referral by the Call-In Sub-Committee.

Section 2 – Report

On 11 April 2013, Cabinet agreed that the progress on the SNT3 programme be noted, that a further progress report with a final draft policy be received for approval in Autumn 2013 and gave delegated authority for the Corporate Director Children and Families, in consultation with the Portfolio Holders for Children, Schools and Families, Property and Major Contracts, and Adult Social Care, Health and Wellbeing, to procure, select and award contracts to the preferred transport services suppliers on such terms as agreed, acting in the best interests of the Council and in doing so promoting local social enterprises and private organisations and to consult on a new transport eligibility policy. The report considered by Cabinet is attached at Appendix 4.
On 19 April 2013, a Call-In Notice signed by over 150 members of the public was received citing the grounds of inadequate consultation with stakeholders prior to the decision, the absence of adequate evidence on which to base the decision and insufficient consideration of legal and financial advice. The Call-In Notice is attached at Appendix 1. Having been validated, a meeting of the Call-In Sub-Committee was held on 29 April 2013 to consider the Call-In notice. The subsequent reference arising from the Sub-Committee meeting is attached at Appendix 2 for Cabinet Members consideration.

The Sub-Committee agreed, unanimously, that the call-in on ground (a) – inadequate consultation with stakeholders prior to the decision - be upheld and referred back to Cabinet for re-consideration. The Members felt that the consultation was limited and the trades’ unions had not been engaged properly. The Sub-Committee requested that the previously agreed cross party practice of early trade union engagement was followed. The Sub-Committee also expressed the view that it was best practice to engage with service users where there was a major change to the way a service was delivered.

The Sub-Committee agreed, by majority, that the call-in on the grounds of the absence of adequate evidence on which to base a decision not be upheld due to insufficient grounds. The Sub-Committee unanimously agreed Cabinet be asked to consider requesting a report that outlined the process of drawing up and approving Equality Impact Assessments (EqIAs) for Cabinet level decisions.

The Sub-Committee agreed, unanimously, that the call-in on the grounds of insufficient consideration of legal and financial advice not be upheld due to insufficient grounds.

In accordance with Committee Procedure Rule 46.8.3, Cabinet must reconsider its original decision within 10 clear working days of a referral by the Call-In Sub-Committee. Cabinet are requested to either confirm or amend their decision of 9 February in relation to this matter.
