Section 2 – Report

Introductory paragraph

Cabinet on 9 September 2004 agreed to sit in the role of Performance Board on a quarterly basis and to receive the Strategic Performance Report. The report helps members to monitor progress against the Council’s vision and Council Priorities and identify corrective action where necessary.

Reporting Format

The report is arranged to correspond with the 2015-19 Corporate Plan.

Some measures in the scorecard are available only annually or biennially as they concern outcomes that change relatively slowly over time. For simplicity, they are therefore shown only in the quarter in which data becomes available.

The report at Appendix 1 provides the following content:

Summary of achievement in the Quarter

- Highlights of achievements under the headings used in the Corporate Plan

Performance Summary for each Council Priority and the “Efficient and Effective Organisation” perspective

- Progress against Key Projects and Initiatives identified in the Corporate Plan.
- Information and current or planned action against each performance indicator with a red status in the “key challenges” section
